

## Cast Iron Small Adaptor

### CAST IRON SMALL ADAPTOR

- Cast iron aesthetics
- 128 mm diameter
- Perfect for grates with orthogonal prongs
- Safe support base
- Durable
- Rounded edges

## FEATURES

This durable cast-iron adapter allows proper and safe positioning of particularly small pots and pans. A typically Italian example is the classic Moka pot. It is to be placed in gas products with right-angled prong grills and has a diameter of 128 mm.
