

S. STEEL CERAMIC SCRAPER

CERAMIC SCRAPER

- Stainless Steel Aesthetics
- Blade width 43 mm
- Perfect for induction hobs
- Dishwasher safe
- Durable
- Replaceable blade

FEATURES

The scraper is an indispensable tool for keeping the glass-ceramic surfaces of induction cooktops clean. Made of metal, it is easy to clean with warm water and mild soap, but also offers the convenience of being dishwasher safe. An important detail is the presence of a stainless steel screw that allows the blade to be replaced when it becomes worn, thus prolonging the life and effectiveness of the tool over time.
