

Teppanyaki Trilaminare Plate

TY PLATE X

- Stainless Steel Aesthetics
- Trilaminare Structure
- Large Surface Area
- Product dimensions: W 245 X D459 X H11

FEATURES

The Teppanyaki griddle is an excellent tool, designed to provide a professional and versatile cooking experience right in your home. Its tri-laminare construction combines three layers of high-quality materials to ensure optimal performance. It is ideal for grilling meat, fish, vegetables and more, while maintaining authentic flavor and desired texture. Its wide, flat surface provides generous space for cooking several portions at once.
