- Matte black finish
- 11 functions
- AirFry (oven-frying) function
- Creative Extended controls
- Meat probe
- Steam cooking
- Combined cooking
- Steam recovery cycle
- CLEAN assisted cleaning cycle
- 3-pane glass cool-touch door
- Energy Class A++

Features

The control panel has different functions, including preset cooking functions and the possibility to modify the recipes. With the Meat Probe, you can obtain perfect results because it allows you to monitor the cooking progress by measuring the food core temperature. This product comes with the following accessories: a meat probe, a perforated tray with lid, a stainless steel support for perforated tray, a stainless steel tray, a flat grill rack and a water tank.
